MEMORANDUM FOR: Military Personnel Division

ATTENTION :

SUBJECT : Medical Processing of Military Personnel  
for Project

This is to confirm verbal conversation with [redacted] on 5 January in which we requested that all military personnel reporting to the Medical Office for processing physical examinations should be briefed to inform the medical staff of their expected length of stay in the headquarters area. This will enable the medical staff to focus prompt attention on those cases where the time element is unavoidably limited and indications as to any necessity for retaining the individual in the headquarters area beyond his expected departure time may be initiated.
